RIDE equestrian lifestyle boutique

Dear Friends of Lionshare!

Welcome to a fun day of equestrian sport and camaraderie with new and old friends. The Bedford Cup is a traditional team jumping competition held over two rounds over two different courses. The winning team will be awarded the Bedford Cup. After the completion of the two team rounds, all riders tied for first place will compete over another short course against the clock to determine the Individual Champion and claim the Lionshare Trophy.

Started in 1995 and formerly known as the Greenwich Cup, top riders such as McLain Ward, Leslie Howard, Rodrigo Pessoa, Peter Wyld, Molly Ashe, all three Leone Brothers have suited up and vied for the team and individual titles.

Always challenging but reasonable courses for the well trained jumper rider, the Bedford cup is meant to reconnect our horses and riders with equestrian sport's traditional show jumping combined with the best of today's sport.

Thank you for supporting our riders.

Sincerely,

Peter
